

EP-960™ Ltd. Inversion Table

Unique or Added Value Features

EZ-Reach™ Ankle System

Extended handle with triple-lock security reduces bending and straining when securing the ankles. Wrap-around Ankle Cups provide maximum support & comfort. Foot platform dials up or down for a customized fit.

EZ-Stretch™ Traction Handles

Offer multiple uses, including added stretching and decompression options, easy oscillation assistance and a simple release option from full inversion.

Large Stretch Max™ Handles

With embossed inversion angle guide provide an extra-long grip surface to assist new users and enhanced stretching options for more experienced inverters.

Better Back™ Accessories

Adjustable tether marks pre-set angles of 20°, 40°, and 60° for rotational control. Acupressure Nodes provide customized pressure-point relief. Lumbar Bridge enhances support & decompression of the lower back.

Built for the Benefits

Reliable, Trustworthy Performance

The Teeter is an FDA-cleared Class 1 medical device indicated for back pain and related conditions. UL Listed Label demonstrates independent certification to meet the toughest quality standards. Trust Teeter for unmatched quality with 35-year legacy, industry leading 5-year full warranty and easy 13 min. assembly.

Comfortrak™ Bed

Smooth, easy-to-clean surface with innovative track design reduces friction to optimize decompression and comfortably flexes with the user. Features Grip-and-Stretch™ hand holds and adjustable Head Pillow.

Precision Balanced with Option for Inverted Exercises

Designed for smooth, controlled rotation with minimal effort. Optional secure lockout in full inversion for advanced stretches and exercises to build core and leg strength.

Patented Security Features

Auto-locking hinges, cam locks, specialized pivot bearings and heat-treated steel parts ensure durability and reliability.

Stable Base & Quick-Fold Storage

The heavy-duty steel base with scratch-resistant finish features stability feet that help protect floors. Folds easily for storage. No disassembly required.
